

STAR ART

Trace and cut out a large yellow star. Write or cut out the words WISE PEOPLE STILL SEEK JESUS!

Hole punch the top and use ribbon through the hole to hang your star at home!

Wise Men Craft

The Wisemen are made from paint sticks. Simply paint the sticks in bright rich colors. Be sure to leave room at the top for the face. Paint the faces with any color from tan to black. The beards can be scraps of brown peel-and-stick fun foam, yarn, felt, or anything you have around to make a beard. Since the wise men were not kings, there are examples above of what they may have worn on their heads. The "turban" is a scrap of fabric. You may also make a crown if you want. Be sure to add "bling" to the turban.

The eyes are two dots made with a Sharpie. You may add a scarf or cape with fabric or paper. Be sure to decorate your wise men. Add a little torn fabric loop and glued it to the back of each wise man. You can hang them if you wish.

Camel Star Craft

Materials Needed

- Draw and cut out a camel
- Felt sheet, tan or light brown
- Poster board
- 5 wooden craft sticks in a color of your choice
– this is your star
- Glue – wood glue will work the best for the craft sticks
- Scissors
- Pencil

- 1. Use a printed camel illustration, cut out the shape of the camel. (You could also draw your own camel on a blank piece of paper to cut out.)**
- 2. Trace your camel shape onto the felt sheet, making sure you trace it backwards if you're using felt with an adhesive back like we did.**
- 3. Cut out your felt camel and glue onto the poster board or attach with the adhesive (if your felt has an adhesive back).**
- 4. To make the Star of Bethlehem, line up two of your craft sticks in a vertical line, overlapping them a bit. Glue them together and onto your poster board. Then, glue two more craft sticks in an X shape over your vertical line. Finally, glue a third craft stick horizontally across to complete an eight-point star.**
