

## **"FORGIVENESS" SQUIGGLE CHART**

Use neon markers to write FORGIVENESS on a piece of construction paper. Then draw "squiggles" circles all around the big word FORGIVENESS. Color the little squiggle circles with various crayons, while trying to count to 490 for! The picture will be colorful and will remind you the message about forgiveness!

## **FORGIVE FLOWERS**

Draw a large circle in the middle of a piece of construction paper or poster board. Draw 7 petals on construction paper. Write F-O-R-G-I-V-E so each flower petal has one letter on it that spells FORGIVE. Use some chenille wire, yarn or anything else you want for the stems. Glue the petals around the circle, add the stems and glue a button in the middle of the circle if you have one. You now have a FORGIVE flower.

**The most important activity you can do this week and every week is to forgive, forgive, and forgive. Remember Jesus said to forgive 70 times 7 which is equal to 490 times.**
