

## **FRISBEE KIDS**

**Cut out a large circle or draw a circle on a piece of construction paper. Use markers, crayons, or colored pencils to draw hands, feet, face, hair, etc. to make a "frisbee kid". Write words from today's parable below on your frisbee kid!**

**Cut out the artwork and hang on a door or wall.**

**Words to put on your frisbee. Add any other words that you feel should be on your frisbee kid.**

**Talents, Gift, God, Parable, Jesus, Joy**

## **GIFT BOX**

**Find a small box to wrap. Wrap the box. Think of your gifts or talents that you should share. Write them on pieces of paper and place them into the gift box. When there is a time that you forget about your own talents, open the gift box and take one of the papers out and read it to remind you that God gave you talents to share. Then go share that talent with others.**

**Share your talents every day.  
Feel the joy in your heart and see the joy on the face of those that you share your gift with.**
