

God Moments Poster

Take a piece of poster paper or any type of paper.

Draw a circle in the middle and write GOD

MOMENTS in the middle of the circle.

Draw lines out from the center to the end of the paper.

Write or draw a God Moment that you have experienced.

Remember to use all of your senses; sight, taste, smell, touch, and hearing.

Color in the areas that you wrote your God Moments to make it very colorful.

Put your poster on a place that you will always be reminded, that God is always with you and to remind you to open your heart and mind so that you experience all of God's Moments!

Have fun!

I have made an example for you to follow.

Bright
Sunshine
