

SHINE YOUR LIGHT

Find or get a battery powered candle at home. Use this candle as a reminder to be a “light of the world,” just as Jesus is. Christ, as the Light of the World, is our source of light, and our "lights" should reflect Jesus. I challenge you to care for your lights, making sure the ‘flame’ stays bright and shining. (by keeping the batteries new) I challenge you to keep your lights shining, and I challenge you to follow through with activities that let your light shine. (Such as being kind, giving to the blessing box, being compassionate, helping a friend, listen to a friend that is having trouble, and more.)

Decorate your candle to make it really special. Use whatever you might have around your house. You can add the words, Let my light shine, every day.

With help from an adult, find the following songs and play them. Listen to the words. They are all about shining your light to the world

Godspell, You Are the Light of the World

Newsboys, Shine

Hilary Duff, Shine

Rascal Flatts, Shine On

Collective Soul, Shine o

This Little Light of Mine

Glow in the Dark Jar

Materials:

- Glass Jar – the bigger the nicer
- Glowing/Luminous paint
- Paintbrush
- Water

Wash your jars clean.

Mix the paint using the brush to make sure glowing particles are evenly distributed.

Make tiny dots inside the jar. The more dots, the better.

Expose your jar onto light or sunlight and see it glow in the dark.
