

FLOWER POTS:

Get a ceramic pot or paper cup.

Write or tape the words GOOD SOIL on the pot.

Add some GOOD SOIL to the cup.

Plant seeds (Jesus' message) in the GOOD SOIL.

Take a picture.

Watch the seeds grow and take pictures as they grow.

SEED ART:

You will need many types of seeds.

Glue the seeds on a piece of colored construction paper to form the words, from the story in the bible below.

Hang it up where you can see it every day.

Matthew 13:1-9, 18-23

DIRT CUP DESSERTS:

Make chocolate pudding.

Put a small amount of chocolate pudding in the bottom of a cup.

Sprinkle with crushed up oreo cookies to look like the SOIL from the Parable of the Sower.

Add either gummy "worms" or some sunflower "seeds" to your pudding.

You now have a great dessert with GOOD SOIL and SEEDS.

Enjoy!
