

## **BURDEN BOX:**

Get a box and wrap it with brown paper and decorate with your favorite Bible verse and the words BURDEN BOX in bright letters.

Cut a slit in the box and use small cards to write some examples of burdens that you might have on the cards and place them inside the box!

PRAY to Jesus for help with those burdens.

## Paddle Balloon Game

To make the paddles:

Break a paint stick in two (or you can use a large popsicle stick)

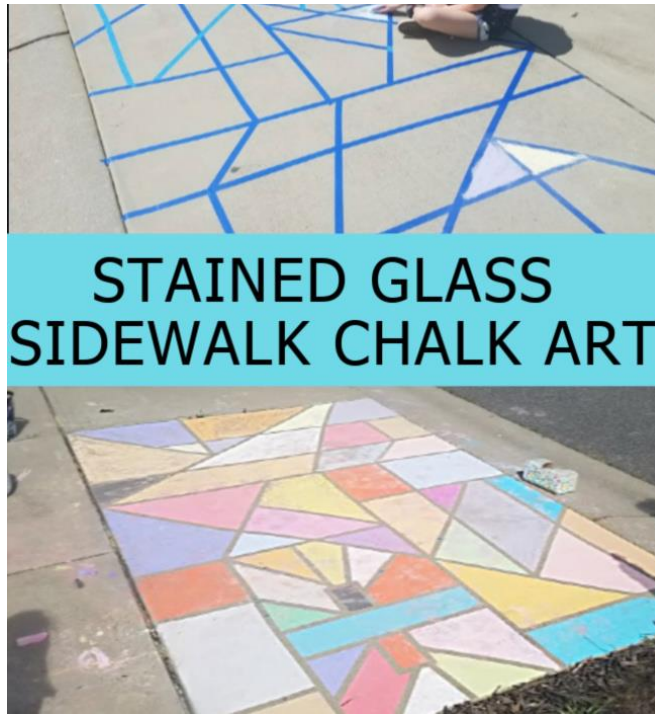

Glue it to the back of a paper plate.

Add a balloon.

Toss the balloon into the air and hit it back and forth.

Don't let the balloon touch the ground.

## STAINED GLASS SIDEWALK CHALK ART

### Stained Glass with Sidewalk Chalk

Create a design by adding tape to the ground in a fun geometric design.

Next, use as many different colors of sidewalk chalk as you can find in the house... the more, the merrier!

Then, color a square until you have a beautiful stained-glass chalk design.

This is chalk art at its finest!
